

# IC-95 FACESHIELD

## Professional Protection. Complete Coverage.

This face shield is helpful in protecting the eyes, nose, and mouth from flying debris, certain chemical hazards and effectively isolates saliva. The full-length shield provides more complete coverage than a typical face shield. Wrap-around head band gives greater support on the head during prolonged use.

## Key Benefits

- Lightweight design allows for full head and neck movement
- Industrial quality hook & loop strap materials allow for quick and easy adjustments
- Helps extend the life of your respirator
- Clear for maximum visibility
- Design provides side and front face protection
- Industrial rated foam for all day comfort

## Specifications

- Product number: 565160
- 50 face shields per carton
- Face shield to be used only in accordance with CDC guidelines
- Ensure you are using respiratory protection - this device is not a respirator

**Note:** After extended use or contact with contaminants, the face shield should be discarded as trash.
